**PROPOSED BASILICA**

In the 1920's the Catholic Church was given two hectares at Regatta Point, where the Archbishop's house is presently situated. In 1930 the foundation stone for a Basilica of Our Lady Help of Christians was laid. We pray that this project will become a reality, and that Our Lady Help of Christians, will take possession of our land and our politics.

**BYO PICNIC LUNCH**

After the procession enjoy a BYO Picnic in the park and catch up with other pilgrims.

**ACCOMMODATION**

Pilgrims travelling from further afield will need to arrange their own accommodation if they are intending to stay overnight in Canberra.
